***ADVANCING TRANSLATIONAL
RESEARCH ON CENTRAL NERVOUS
SYSTEM (CNS) BARRIERS:
DEVELOPMENT, DISEASE, AND TRAUMA***

Please join us in Portland, Oregon for the 2018 Annual BBB Consortium Meeting. This year's meeting will focus on the neurovascular unit and its role in development, disease, and trauma, with an additional session on gadolinium deposition in the brain.

There are a small number of travel scholarships available for graduate students, medical students, and junior researchers. The application deadline for these awards are January 19, 2018.
